BEYOND CAMPUS INITIATIVE

Introduction:

In addition to campus environmental promotion initiatives, beyond the university campus, a number of programs have been held.

1. To increase awareness of environmental damage and ways to protect it. The goal is to protect the environment from various pollution and protect the environment.

2. College has organised a voter awareness rally "Matdaar Jagruti Abhiyaan" to spread the message among people about the value of voting. Students of our college participated in it and roamed with the awareness message in vicinity of the campus.

The rally passed through the residential areas, where the students carried placards and spoke slogans for making people know about the importance and need of voting.

4. College has planned a Tree plantation drive which involves planting a large number of trees or seedlings, often for the purposes of land reclamation or landscaping. The act of planting trees helps to purify the air we breathe, which is often polluted due to various human activities. Trees play a significant role in our ecosystem, maintaining balance among nature's elements. They also help regulate the climate of a place.
