The relationship between antioxidants and skill development may not be direct, but there are several indirect ways in which the consumption of antioxidants can positively impact cognitive function, overall health, and, consequently, skill development. It creates a foundation that supports effective skill development. A healthy body and mind are better equipped to engage in learning, adapt to challenges, and consistently refine and acquire new skills

By the end of the seminar the attendees gained practical knowledge and skills that could be applied in their daily lives to enhance their overall well-being and productivity. The integration of health and skill development provided a holistic approach to personal growth, emphasizing the interconnectedness of a healthy body and a sharp mind. The Seminar concluded with a vote of thanks

The Department of Lifelong Learning and Extension of Children Welfare Centre's College of Law had organized beach Clean-Up drive in association with Inspiring Indian Women IIW (NGO) at Juhu Beach, Mumbai on 12th September 2023.

The objective of the beach clean-up drive was to actively contribute to the preservation of coastal ecosystems by removing litter, debris, and pollutants from the beach environment and to raise awareness about the detrimental effects of plastic pollution, littering, and improper waste disposal on marine life, ecosystems, and human health.

Students were provided with necessary cleaning tools, including gloves and garbage bags, and were divided into teams to systematically clean designated areas of the beach. The cleanup activities focused on collecting and properly disposing of plastic waste, debris, and other pollutants.

For nearly three hours, the students diligently cleaned the assigned area, ensuring thorough removal of debris. All collected garbage was subsequently deposited into designated garbage trucks for proper disposal.

REPORT

A Seminar on Prevention of Sexual Harassment Act, 2013 – 14th October 2023

The Department of Lifelong Learning and Extension of Children Welfare Centre's College of Law had organised a seminar on Prevention of Sexual Harassment act 2013 on 14th October 2023. The Speaker for the event was Adv. Paathik Muni and Adv. Kamal Muni.

The discourse surrounding gender equality and the prevention of sexual harassment has gained significant momentum. To address this pressing issue, CWC's College of Law had organised a seminar focused on the Prevention of Sexual Harassment Act, 2013. The seminar aimed at providing a comprehensive understanding of the legal framework, its implications, and strategies for effective implementation within the Indian legal system and the corporate world in India. The primary objective of the seminar was to enlighten students, faculty, and legal professionals about the intricacies of the Prevention of Sexual Harassment Act and its role in creating a safe and inclusive environment within several institutions, organisations or work spaces. By fostering awareness and understanding, we aim to contribute to the cultivation of respectful and equitable spaces for everyone in the community.

The event began with the host giving an introduction to the speakers, followed by felicitation by Principal Dr Anant Kalse. The seminar was conducted by Adv. Paathik Muni and Mrs Kamal Muni. The event brought together students, faculty, and the speakers that engaged in a comprehensive interaction regarding the legal framework, implication and its proactive measures to foster a secure and respectful environment at work place. There was a presentation put forth by the speakers encompassing the following topics:

1. Insightful Overview of the POSH Act: The seminar commenced with a detailed overview of the Prevention of Sexual Harassment Act, shedding light on its legal underpinnings, definition of sexual harassment, and the broad scope of its applicability.

2. Navigating Key Provisions of the Act: The students delved into the essential provisions of the POSH Act, exploring the responsibilities of educational institutions, the establishment of Internal Complaints Committees (ICCs), and the procedural aspects of filing complaints and conducting inquiries.

3. Strategies for Prevention: The seminar underscored the importance of preventive measures, emphasizing the role of educational institutions in cultivating a culture of respect and consent. The students and the faculty engaged in discussions on implementing sensitization programs and awareness campaigns within the college.

4. The ICC's Role: An in-depth exploration of the Internal Complaints Committee's composition, functions, and the significance of maintaining confidentiality and protection for complainants provided valuable insights for the participants.

5. Addressing Challenges and Proposing Solutions: The students and faculty actively discussed challenges faced in the effective implementation of the POSH Act, including common misconceptions and institutional barriers. Strategies for overcoming these challenges were collaboratively explored.

6. Case Studies: The event incorporated interactive sessions where participants, guided by speakers, engaged in discussions on hypothetical scenarios. Real-life case studies were analysed, offering practical insights into the complexities of dealing with sexual harassment issues.

The seminar on the Prevention of Sexual Harassment Act served as a catalyst for collective awareness and understanding for the students. By addressing legal nuances, challenges, and proactive measures, the event aimed to empower students to contribute actively to the creation of a safer and more inclusive educational environment.

The students extended their gratitude to the speakers for the presence and the insight into such an important topic from the legal arena and the fellow students for their active involvement, making this seminar a resounding success. The event epitomized the institution's commitment to fostering a community that upholds principles of equality, respect, and justice. In the aftermath of this seminar, the college plans to implement follow-up initiatives, including starting an Add-On course, awareness campaigns through legal aid, training programs, and the strengthening of the Internal Complaints Committee to ensure a sustained and effective approach to preventing sexual harassment on campus.

REPORT

Street Play – 6th November 2023

On 6th November 2023, the Department of Lifelong Learning and Extension of Children Welfare Centre's College of Law in association with Inspiring Indian Women (IIW) NGO, had organized a Street play at Brihanmumbai Municipal Corporation, Kabaddi Maharshi kai. Shankar Salvi maidan, Malad (e).

The street play was organized to create awareness about topics such as domestic violence, Women empowerment and internet safety. The event aimed to engage the community in a thought-provoking and entertaining manner, utilizing the power of street theater to convey important messages.

Each topic was taken up by one group comprising of 10-12 members and accordingly 3 groups presented 3 plays. The first play was presented on the topic of domestic violence. The play followed the life of a married couple where the husband used to torture his wife for dowry. Through their performance, students demonstrated effective ways for women to address this challenging situation, and emphasized the importance of seeking assistance from relevant authorities instead of accepting violence as a normal part of their lives

The topic for the second play was Internet safety. Internet has become an integral part of our day to day lives and functioning without it is almost impossible. However, just as a coin has two sides, the internet, despite its significance, brings along its own set of disadvantages. The students illustrated these pros and cons through a series of short stories within their play. Ultimately, the play concluded by conveying a message to the

Hindi Linguistic Minority

audience that the determination of whether the internet is a boon or a bane rests with each individual, emphasizing that its impact is entirely contingent on how one chooses to use it.

The final play revolved around the theme of women empowerment. Through a collection of short stories, the students portrayed the various challenges that women face. From the earliest stages of life, women encounter discrimination, and as they grow, they become victims of various offenses such as domestic violence and acid attacks. Through their performance, the students delivered a powerful message, emphasizing the urgent need for unity and equality, urging everyone to stand together and treat one another with respect

The street play proved to be a powerful medium for conveying important messages to the community. By combining entertainment with education, the event succeeded in creating awareness, fostering dialogue, and inspiring positive action. Such initiatives are crucial for building a more inclusive and informed society, where women are empowered, and individuals are equipped with the knowledge to navigate the digital world responsibly.

REPORT

Voter ID creation Workshop at K P B Hinduja College of Commerce – 16th January 2024

The Department of Lifelong Learning and Extension of K P B Hinduja College of Commerce, Charni Road East had organized 'Voter ID Creation' Workshop on 16th January 2024. The college extended invitations to the DLLE units of all colleges to partake in the workshop

The objective of the workshop was to make students aware about the process of voter Id creation and to encourage them to create awareness about the fundamental right of voting given by our constitution. From each college minimum 5 and maximum 10 students were invited to attend the workshop. The workshop was held in 2 slots 10:30 am to 11:30 am and 11:30 am to 12:30 pm.

The Speaker for the Workshop was Chaitanya Prabhu, Sir is a Renowned Lawyer & Founder of the NGO "Mark Your Presence". Sir and his team have assisted over 5 lakh individuals in exercising their right to vote. During the workshop, Sir elucidated various methods provided by the Election Commission for obtaining an ID.

He highlighted the first approach, which involves the use of a mobile-based application called "Voter Helpline." This user-friendly app is available on both Android and iOS platforms, streamlining the application process with easy-to-follow steps and convenient access through one's mobile number.

The second method discussed by Sir is the website portal www.eci.gov.in. This online platform offers a simplified enrollment process. Emphasizing the importance of keeping the reference number saved, Sir explained that, given the online nature of the process, it is

crucial to have the reference number on hand for seeking assistance effectively.

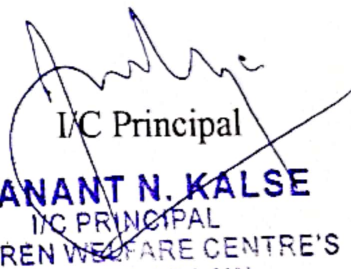

Additionally, the students were presented with a video illustrating the process of enrolling for a voter ID. Sir encouraged the students to take the initiative in raising awareness about voting within their respective campuses. He urged them to motivate their fellow students to actively participate in the democratic process by creating their Voter ID.

The 'Voter ID Creation' Workshop at K P B Hinduja College of Commerce proved to be a successful endeavor, contributing to the broader goal of enhancing civic awareness and engagement among students. The collaborative efforts of participating DLLE units underscored the significance of such initiatives in promoting responsible citizenship.
