ABOUT THE COLLEGE

Established in the year 2010, Children Welfare Centre Trust's Law College, located at Marve Road, Malad West on a sprawling campus, strives to produce competent law professionals year after year. The college is affiliated to University of Mumbai and enjoys recognition by the Bar Council of India and Government of Maharashtra.

ABOUT THE COURSE

The 360 Degree Lawyer Training Program is an intensive teaching program designed for budding lawyers to equip them with essential skills and knowledge required to succeed in the legal profession. This program focuses on building a solid foundation of skills that are necessary to become an effective lawyer. The program covers a wide range of topics including interpersonal skills, proficiency in English, soft skills, court decorum, use of logic in law, drafting skills, ethics, and more.

- **Court decorum:** The program covers the essential rules and protocols that lawyers need to follow when they are in court. This includes behavior, dress code, and etiquette.
- **Drafting skills:** The program covers legal drafting, including contracts, motions, and briefs. Lawyers need to be able to draft clear and concise documents that are legally sound.
- **Use of logic in law:** The program teaches participants how to use logical reasoning to solve legal problems. This skill is essential for drafting legal arguments, analyzing cases, and making sound judgments.
- **Interpersonal skills:** The program covers topics such as communication, conflict resolution, negotiation, and teamwork. Lawyers need to have excellent interpersonal skills to succeed in the legal profession.
- **Proficiency in English:** The program aims to improve the English language skills of the participants, including grammar, vocabulary, and writing skills. This is essential for drafting legal documents, writing briefs, and communicating effectively with clients.
- **Soft skills:** The program covers topics such as time management, organization, and problem-solving. These skills are crucial for lawyers to manage their workload effectively and make strategic decisions
- **Ethics:** The program covers ethical principles in the legal profession, including conflict of interest, confidentiality, and attorney-client privilege. Lawyers need to understand and adhere to these ethical principles to maintain their professional integrity.
